

Emerging Practitioners in Philanthropy
The next generation of grantmakers

EPIP Los Angeles invites you to join us for a Mixer at La Golondrina Café.

What does EPIP mean to you? Connect with fellow EPIPers and also meet new professionals in Los Angeles' philanthropic community. EPIP-LA has invited the students of SCG's Fundamentals of Grantmaking Class to join us as they build their network of new colleagues in the Los Angeles region and also learn about how EPIP can support them as new foundation professionals. Tell them what EPIP means to you!

Still learning about EPIP? Join us for great food and conversation as you continue to learn about what EPIP-LA has to offer. An added bonus – expand your network by meeting colleagues who are new to the philanthropic community.
